COMMONWEALTH OF VIRGINIA

STATE CORPORATION COMMISSION

AT RICHMOND, FEBRUARY 21, 2002

APPLICATION OF

BROOKFIELD WATER COMPANY, INC.

CASE NO. PUE000409

For a certificate of public
convenience and necessity to
provide water service to the
Brookfield subdivision

ORDER

Brookfield Water Company, Inc. ("Brookfield" or "Company"), requested a certificate of public convenience and necessity in an application filed August 1, 2000. On March 2, 2001, the State Corporation Commission ("Commission") issued an Order granting to Brookfield Certificate No. 307, to provide water service to the Brookfield subdivision in Botetourt County, Virginia. In that Order, we directed the Commission Staff ("Staff") to review the Company's rates and miscellaneous charges and file a report.

The Staff's report was filed on January 16, 2002, and finds the Company's rates and charges not to be excessive. The Staff recommended that Brookfield adopt certain accounting and recordkeeping practices, as set forth in the report. Upon consideration, the Commission finds the Company should be afforded an opportunity to comment on the recommendations

contained in the report.

Accordingly, IT IS HEREBY ORDERED THAT Brookfield may file a response to the Staff recommendations on or before March 4, 2002.
